The month's budget summary is updated to include the County Auditor's actual allocation of property tax revenue. The end of second quarter Cal Fire work period ended just a few weeks ago. So I anticipate receiving their 2<sup>nd</sup> quarter invoice late January or early February, followed with their invoice in April for 4<sup>th</sup> quarter, which is estimate based on 2<sup>nd</sup> quarter.

Compensated hours in December totaled 245.5. January is expected to be twice as much due to start of academy. A summary of December hours along with YTD is attached.

We will receive Wittman's ambulance report next week. In the meantime, I prepared the attached preliminary report based on our numbers.

Last month, a 'draft' calendar of implementation steps for the Ordinance was provided. This draft was provided by the attorney Bill Adams. I have reworked the bullet points into the attached calendar to fit our County schedule. So stay tuned..... a report similar to the attached 2018-19 Assessment report is being prepared for the March meeting.

## SLCFPD

### Next steps for implementation of SLCFPD Ordinance No. 2018-2019 01 tax measure

1. **December 2018** – BOD approval of election results. Board of Directors approved Registrar of Voters official canvass of election results, including voter approval of SLCFPD Measure L.
2. **February 2019** – Request parcel report and determine tax rate. Reports “showing each parcel of real property subject to the special tax, the owner(s) thereof, the land use classification applied thereto, and the proposed levy thereon.” (Ord. Section VII.) is queried by County IT when the new tax roll is created, end of July, early August.

For the public hearing to be held as required of the ordinance, I will be applying the tax rates to the parcel report I received in August 2018. Once this is complete, it will have the revenue that's to be generated. The Board needs to be aware that the caveat here is once the public hearing and protest part have taken place, the tax rate category from this parcel report will be applied to the new 2019-20 tax roll. The only time there may present a situation is with a new development, splits and or merges. These can be dealt with when the time comes.

Currently, there is no requirement by the County Auditor to inform them of the tax rate category. Their office will notice us late July, early August with their requirements for sending them the tax roll. As a courtesy, I did notify the County Auditor's office of the passage of the ballot, provided them the resolution ratifying the election result approved in December, including the ballot measure resolution and ordinance from last July.

3. **February 2019** – Notice public hearing. District notices a public hearing to set the rate and make corrections to the taxes to be levied for each parcel. Notice of the public hearing must: (1) be posted in at least 3 public places within the District at least 15 days prior to the hearing; and (2) published once a week for two consecutive weeks, with the first publication at least 15 days prior to the hearing, a newspaper of general circulation published at least weekly within the District. (Ord. Section VIII.)
4. **March 2019** – Conduct public hearing. District Board conducts a public hearing to set the rate and make corrections to the taxes to be levied for each parcel based on the tax rates in the Ordinance. (Ord. Section VI.) This is required annually. The first year may be more complicated as the District resolves the legacy use codes with the actual uses, and received property owner protests about the tax proposed to be levied based on a

particular use. The District Board integrates the anticipated income from the taxes approved at this public hearing into development of its preliminary budget.

5. **April 2019** – Allow time for property owner appeal of tax levy.
6. **April/May 2019** – Approval of tax roll and preliminary District budget. District Board approves by Resolution the final determination of the tax rate(s) to be applied to parcels within the District (known as the “District Tax Roll”). Not later than May 18<sup>th</sup>, the County Auditor requires the District Board submit an approved preliminary District budget and will include anticipated new tax revenue and expenditures.
7. **May/June 2019** – Approval of new Appropriations Limit to send to County. District Board approves by Resolution the new Appropriations Limit for the District, which will permit the spending of the revenue raised by the special tax. (Ord. Section X.) District Board sends the Appropriation Limit approval to the County Auditor to establish District Limit. This increased Appropriations Limit must be ratified by the District voters every four years, starting not later than the General Election in November 2022.
8. **August 2019** – Tax Roll to send to County. District sends the District Tax Roll to the County Auditor for preparation of property tax bills sent out to property owners.
9. The cycle in paragraphs 2-9 above repeats annually.
10. In **June 2020**, at the end of Fiscal Year 2019/2020 (and at the end of every Fiscal Year thereafter), the District Board “shall cause a report to be prepared and filed with the Board of Directors containing information regarding the amount of special tax revenues collected and expended as well as the status of projects funded with proceeds of the special tax.” (Ord. Section VII.) The information from this report will be incorporated into District’s financial statement.

**RESOLUTION NO. 2018-19 01**

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE SOUTH LAKE COUNTY FIRE PROTECTION DISTRICT CALLING A SPECIAL ELECTION FOR TUESDAY, NOVEMBER 6, 2018, ON AN ORDINANCE AUTHORIZING THE DISTRICT TO IMPOSE AND LEVY A SPECIAL TAX TO ASSIST THE DISTRICT IN MEETING THE COSTS OF PROVIDING AUTHORIZED SERVICES AND EXERCISING OTHER RIGHTS AND POWERS OF THE DISTRICT, INCREASING THE DISTRICT’S APPROPRIATIONS LIMIT FOR THE MAXIMUM PERIOD ALLOWED BY LAW TO ALLOW THE USE OF THE PROCEEDS OF THE SPECIAL TAX, AND REQUESTING THAT THE ELECTION BE CONSOLIDATED WITH ANY OTHER ELECTION HELD ON THE SAME DATE IN THE SAME TERRITORY**

---

**RESOLVED**, by the Board of Directors (“the Board”) of the South Lake County Fire Protection District (“the District”), that:

**Whereas**, in 2002, District voters approved District Resolution 2002-06, which established a District-wide parcel tax for staffing and operational costs for the District services; and

**Whereas**, the amount of revenue available to the District from property taxes and District Resolution 2002-06 is inadequate to meet the current costs of providing authorized services and exercising other rights and powers of the District; and

**Whereas**, a special tax to replace the tax in District Resolution 2002-06 would provide a larger stable source of supplementary revenue to assist in meeting such costs; and

**Whereas**, Article XIII A, section 4 and Article XIII C, section 2 of the California Constitution, Article 3.7 (commencing with Section 53720) of Chapter 4 of Division 2 of Title 5 of the California Government Code, Section 13911 of the California Health and Safety Code and Article 3.5 (commencing with Section 50075) of Chapter 1 of Part 1 of Division 1 of Title 5 of the California Government Code authorize the Board, following notice and hearing, to propose the adoption of such an additional special tax and to submit the proposition to the voters of the District; and

**Whereas**, the Board desires to propose an ordinance authorizing the District to repeal District Resolution 2002-06 and to impose and levy a special tax to assist the District in meeting the current costs of providing authorized services and exercising other rights and powers of the District; and

**Whereas**, state law requires that such an ordinance be submitted to the voters of the District for their approval, and authorizes the Board to call a special election for that purpose and to request consolidation of the election with any other election held on the same date in territory that is the same or is in part the same;

**NOW, THEREFORE**, the Board hereby resolves and orders as follows:

1. The Board finds and declares that the amount of revenue currently available to the District from property taxes is inadequate to meet the costs of providing authorized services and exercising other rights and powers of the District.
2. The Board finds and declares that repealing District Resolution 2002-06 and imposing a special tax is necessary to establish a larger stable source of supplementary revenue to assist the District in meeting the current costs of providing authorized services and exercising other rights and powers of the District.
3. The Board finds and declares that the District has complied with all laws requiring notice of the actions contained herein, and has held a public hearing as required by law.
4. The Board determines that an ordinance authorizing the District to impose and levy a special tax having a maximum rate of \$10.00 per benefit unit to assist the District in meeting the costs of continuing to provide authorized fire and emergency services and exercising other rights and powers of the District, shall be presented to the voters of the District. The Board further determines that the form of the ordinance, which is hereby designated Ordinance No. 2018-19 01, shall be as set forth in Exhibit "A," attached hereto and incorporated herein by this reference. Pursuant to state law, Ordinance No. 2018-19 01 shall not go into effect unless it is approved by two-thirds of the votes cast by voters of the District voting upon the question of its approval.
5. The Board hereby calls a special election for Tuesday, November 6, 2018, and directs that the foregoing proposition shall be submitted to voters of the District at the election in the following manner:

(a) There shall be included on the ballot to be marked by the voters of the District, in addition to any other matters required by law, ballot language in the following form:

"In order to continue to provide sufficient funding for fire and emergency medical services, shall South Lake County Fire Protection District Ordinance No. 2018-19 01 be approved authorizing the District to impose and levy a special tax having a maximum rate of \$10.00 per benefit unit and increasing the District's appropriations limit to permit spending of the revenue raised by the special tax, be approved?"

(b) The ballot to be used at the election shall be both as to form and matter contained therein such as may be required by law. On the ballot, in addition to any other printed matter required by law, opposite the measure to be voted upon and to its right, the words "yes" and "no" shall be printed on separate lines with voting squares.

(c) The Lake County Registrar of Voters is hereby authorized, instructed, and directed to provide and furnish any and all official ballots, notices, printed matter, and all supplies, equipment, and paraphernalia that may be necessary to properly and lawfully conduct the election.

(d) The Lake County Registrar of Voters shall give all notices required by law.

(e) Arguments for and against the measure may be, and other analyses provided for by law shall be, submitted in accordance with law.

(f) It is hereby requested that the election be consolidated with any other election held on the same date in territory that is the same or in part the same.

(g) The canvass of ballots cast at the election shall be conducted in accordance with law.

6. The Clerk of the Board is directed to forward a certified copy of this resolution to the Lake County Board of Supervisors and to the Lake County Registrar of Voters.

**THE FOREGOING RESOLUTION** was introduced at a meeting of the Board on July 17, 2018 by Director Bostock, who moved its adoption, seconded by Director Hoberg, and ordered adopted by the following vote:

**AN ORDINANCE OF THE SOUTH LAKE COUNTY FIRE PROTECTION DISTRICT  
AUTHORIZING THE DISTRICT TO IMPOSE AND LEVY A SPECIAL TAX**

---

The people of the South Lake County Fire Protection District ordain as follows:

**SECTION I. DEFINITIONS.**

For the purposes of this Ordinance, the following words and phrases shall have the meanings respectively ascribed to them by this section unless the context clearly requires a different meaning. The definition of a word or phrase applies to any of that word's or phrase's variants.

**“Board of Directors”** means the Board of Directors of the South Lake County Fire Protection District.

**“District”** means the South Lake County Fire Protection District in Lake County, California.

**“District Resolution 2002-06”** means parcel tax measure which was approved by a two-thirds vote of the qualified electors of the South Lake County Fire Protection District in 2002.

**“Parcel of Real Property”** means a separate parcel of real property having a separate Assessor's parcel number as shown on the secured tax rolls of the County of Lake, or an assessment of a structural property on the unsecured tax rolls of the County of Lake, or an assessment made by the State Board of Equalization.

**“Special Tax”** means the special tax authorized by and imposed pursuant to this Ordinance. The additional special tax is a special tax within the meaning of Article XIII A, section 4 and Article XIII C, section 1 of the California Constitution.

**SECTION II. AUTHORITY.**

This Ordinance is adopted pursuant to Article XIII A, section 4, Article XIII B, section 4 and Article XIII C, section 2 of the California Constitution, Article 3.7 (commencing with Section 53720) of Chapter 4 of Division 2 of Title 5 of the California Government Code, Section 13911 of the California Health and Safety Code, and Article 3.5 (commencing with Section 50075) of Chapter 1 of Part I of Division 1 of Title 5 of the California Government Code.

### **SECTION III. DETERMINATION OF NECESSITY.**

The amount of revenue available to the District from property taxes and District Resolution 2002-06 is inadequate to meet the cost of continuing to provide fire and emergency medical services pursuant to Section 13862 of the California Health and Safety Code. Therefore, the District must establish a larger stable source of supplementary revenue to assist in meeting the costs of providing such services and exercising the other rights and powers of the District.

### **SECTION IV. PURPOSE OF SPECIAL TAX.**

The purpose for which the special tax shall be imposed and levied is to raise revenue for the District to use in meeting the costs of (1) continuing to provide fire and emergency medical services pursuant to Section 13862 of the California Health and Safety Code, and (2) exercising other rights and powers granted to the District in Chapter 5 (commencing with Section 13860) of Part 2.7 of Division 12 of the California Health and Safety Code.

### **SECTION V. REPEAL OF DISTRICT RESOLUTION 2002-06.**

If the voters of the District approve the special tax proposed in this Ordinance, District Resolution 2002-06 shall be repealed.

### **SECTION VI. SPECIAL TAX AUTHORIZATION AND LIMIT.**

The Board of Directors is authorized to impose and levy a special tax, for the purpose as specified in Section IV of this Ordinance, on each parcel of real property located within the boundaries of the District at a rate not to exceed \$10.00 per benefit unit for the first year and is to be adjusted each year thereafter by the change in the consumer price index. If at any time the consumer prices index resulted in anything less than zero, the special tax rate would remain at the previous year's rate in an effort to maintain the current level of services. Furthermore, such a special tax shall not be imposed upon property of a federal, state or local government agency. The Board of Directors shall set the rate of the special tax each year as provided in Section VI of this ordinance, provided that in no year shall the rate exceed the maximum specified in this section.

The special tax shall be imposed in accordance with the schedule for Units of Risk attached hereto as Exhibit A. Each land use within a parcel is subject to Units of Risk computation and the total of all uses on a parcel shall be computed to be the tax due to the District.

### **SECTION VII. REPORT AND HEARING ON SPECIAL TAX.**

Each year prior to the imposition of the special tax, the Board of Directors shall cause a report to be prepared showing each parcel of real property subject to the special tax, the owner(s) thereof, the land use classification or classifications applied thereto, and the proposed levy thereon. Upon receipt of the report, the Board of Directors shall set a date for a public hearing thereon and shall cause notice of the hearing to be given pursuant to Section VIII of this ordinance. At the public hearing, the Board of

Directors shall set the rate and make such corrections to the taxes proposed to be levied as may be required.

**SECTION VIII. ANNUAL REPORT ON SPECIAL TAX REVENUES.**

Each year the District shall cause a report to be prepared and filed with the Board of Directors containing information regarding the amount of special tax revenues collected and expended as well as the status of projects funded with proceeds of the special tax.

**SECTION IX. NOTICE OF HEARING.**

In the absence of state law specifying the procedure for giving notice, notice of any public hearing held pursuant to this ordinance shall be given by posting in at least three (3) public places within the District at least fifteen (15) days prior to the hearing and publishing twice pursuant to Section 6066 of the California Government Code in at least one (1) newspaper of general circulation within the District. The notice shall include the date, time, and place of the public hearing, a general explanation of the matter to be considered, and a statement of where additional information may be obtained.

**SECTION X. COLLECTION.**

The special tax shall be collected in the same manner and subject to the same penalty as other charges and taxes collected by or on behalf of the District by the County of Lake. The Lake County Tax Collector may deduct reasonable administrative costs incurred in collecting the special tax and deposit the amounts deducted in the Lake County General Fund. In accordance with Article 1 (commencing with section 29300) of Chapter 2 of Division 3 of Title 3 of the California Government Code, there shall be added to the amount of the special tax an amount for the reasonable administrative costs incurred in collecting the special tax.

**SECTION XI. SEVERABILITY CLAUSE.**

If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portion of this ordinance. The people of the South Lake County Fire Protection District hereby declare that they would have passed this ordinance and every section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

**SECTION XII. EFFECTIVE DATE.**

This Ordinance shall take effect the day following its approval by two-thirds of the District's qualified voters voting on its approval at the special election on November 6, 2018.

As per attached policy, the officers are elected at the first board meeting of the calendar year. In past years the board chose to nominate the vice president as president and another member as vice president. The board may choose to do the same or make different nominations.

In addition, I'd like to make you aware that the president chosen to preside over the meetings for the calendar year will be soliciting members to serve on committees as he or she so deems at the February meeting.

For easy reference, a one page board meeting calendar is also attached. Please note that meeting dates may be changed from time to time but require the action of the Board at a prior meeting.

**STAFF REPORT**

**To:** South Lake County Fire Protection District Board of Directors

**From:** Mandi Huff

**Re:** Waste Oil Container at Station 60

**RECOMMENDATION:**

It is the recommendation of Mandi Huff for the Board of Directors' approval for staff to contact the Lake County Public Services Department and request removal of the waste oil drop off tank which currently resides behind Station 60.

**BACKGROUND:**

The District continues to have issues with the public disposing of oil at this facility. Oil containers and filters are constantly left behind even when members of the public are instructed not to do so. There have been several instances where the container was overfilled and oil and possibly other hazardous liquids spilled out of the container and onto the ground. On multiple occasions filters and other debris made their way into the container which has added extra work for the waste oil disposal company (World Oil). With contaminants and debris in the container this adds to pump time and has clogged their hoses in the past. When the Lake County Public Services Department was contacted and made aware of this issue the last time it occurred they responded with "Anything that is contaminated you are responsible for the pickup, you might want to get a quote from them before it is picked up." My understanding of this response is even though the tank is owned by the County of Lake because it resides on South Lake property the District is responsible for maintaining it at their own cost. Currently the waste oil container is chalk full of oil filters and dirty rags.

**Environmental Impacts:** – On duty staff has had to lock the container and use kitty litter to clean up after oil spills. This is a potential environmental issue should the tank overflow and seep into the ground.

**Fiscal Impacts:** – Back in 2012 the District was invoiced in the amount of \$369.75 (the invoice is attached below) to pump the container which had been contaminated. After many conversations with Sue at the Lake County Public Services Department the invoice was forwarded and paid by them. However, when a similar situation occurred back in 2016 and Lake County Public Services Department was contacted to see if they would like to hire a special truck to come service the 50-gallon drum behind the waste oil container which was also contaminated was when I received the above response regarding any contaminants being the District's responsibility to handle at

their cost. If the District was responsible for paying \$369.75 every time the container was contaminated (it is pumped about 6 times a year on average) this could lead to a potential cost of \$2,218.50 if this rate hasn't increased in the past 6 years. Also, I am unsure of the cost of a specialty pumping truck which was mentioned in the past by the waste oil company.

**Pro and Cons:**

Pros- This is a convenient drop off for South Lake residents.

Cons- The District having to bare fiscal and directorial responsibilities for the container.  
- Potential cost of tank removal.

ALTERNATIVES- The waste oil tank could be moved to a new location where it can be better monitored. Possible locations: the senior center, the Sheriff substation, Hardester's Market lumber yard. I have not contacted any of these facilities, these were suggested to me by Chief Wink and Fire Captain Miinch.
